NEW DIRECTORY SERVICES

Our feedback from members has indicated that you prefer to read a hardcopy directory rather than search for members online and you would like a format that is easier to search. We also realise that your business keeps you busy and you often don't have time to order current membership directories. Further feedback has indicated that many members would appreciate the opportunity to promote their businesses in the directory with more than just a text entry. We appreciate all constructive feedback from our members and our goal is to meet and exceed your requirements.

In response to your requests, we are pleased to announce that we have revamped the way the membership directory displays, both online and in hardcopy. We feel this new format is easier to read, more information is included and regional areas and categories are more easily identified within the page.

50% Plus and Gold Club members are identified, and the most recent trade percentage a member is offering is also listed, when we have this information. These percentages in most cases are only indicative and all members have the right to change their trade percentages as their business dictates. Gold Club and 50% Plus Club members are obliged to offer the relevant percentages to other Club members as per Club membership criteria. The New Look directory also includes trading tips, regularly used forms and trading procedures.

Keep up to date with membership changes

Your current State directory will now be mailed out to you every six months. This way you will have up to date members information to assist you to source product and identify new markets. The \$5 (incl GST) cash cost of these directories will be debited to your Empire Trade account. If you do not wish to receive an up to date statewide directory every six months, you must advise Head Office. National directories can be ordered at a cost of \$10 cash including GST. Once you have received your new directory, please let us know if there is anything else you would like to see included.

Directory Advertising

The other service we are excited to offer is the opportunity to advertise on full trade in our membership directory. All advertising is initially black and white and the following 4 options are available. Your ad will display in the directory for 6 months. Club members receive a 20% discount on these prices which are full trade plus GST paid in cash.

Format 1 (60mm x 43mm)	\$100 + GST in cash
Format 2 (100mm x 43mm)	\$150 + GST in cash
Format 3 (90mm x 90mm)	\$250 + GST in cash
Format 4 (260mm x 180mm)	\$600 + GST in cash

Full artwork must be supplied to specification. If you are unable to prepare your own artwork, Member Support will be happy to recommend one of our members who can prepare this work for you.

Introductory Special

Members who take up this advertising offer within the month of February are offered a 30% discount on their first order only. This applies to multiple orders placed at the same time. Contact member support by email or phone for an advertising submission form. Advertising space per category is limited, so make sure you don't miss out. Contact Member Support now.

Hello everyone and welcome to 2008, we hope everyone had a wonderful Christmas and New Year. All of the staff here at Empire are back on deck and busy as ever! Just a few reminders for all members...

ITT - Intention to Trade

- When a transaction is T\$3000.00 or over, the fees must be prepaid, or an Intention to Trade form needs to be completed by the buyer and both the buyer and seller must sign. If it is not practicable to complete an ITT, the buyer may call Head Office and prepay the transaction fees by Credit Card to ensure the transaction is processed without delay.
- If the transaction is processed via the ITT, this agreement must be lodged at Empire Trade Head Office at least 24 hours before the transaction takes place.
- The document can be faxed to 07 5437 7220 or posted to Empire Trade Head Office, PO BOX 151 Buddina QLD 4575
- The buyer must pay the relevant transaction fee on the trade component of the purchase in advance of the transaction taking place. Payment must be forwarded to Empire Trade Head Office with the ITT form.
- Sellers, please note that if you do not ensure an ITT form has been completed by the purchaser, or you have not received an authorisation number after the buyer has prepaid the transaction fee, you should not hand over your goods as the transaction will not be honoured by the exchange.

Authorisation

- Transaction amounts of T\$200 to T\$2999 require a phone authorisation before the transaction is completed.
- Sellers can call the 24 hour Authorisation line, 1800 675 092, and the authorisation number you are given must be written on the trade cheque before posting it to head office.
- Without this authorisation number, you are not guaranteed of receiving your funds. The funds will not be cleared to your account until the cheque has been received at Head Office for final processing. For amounts \$3000 and over, both the buyer and seller must complete an ITT Form in place of a cheque, or arrange to prepay the fees via credit card.

\$100 Cash Referral

- Empire Trade invites members to receive \$100 cash plus \$50 trade paid directly into your nominated bank account for referring a new business to the Exchange. Members who understand the benefits to their business from trading within the Empire Trade Exchange, and who encourage other businesses to take part in what is a truly unique and affordable way to grow your business, can now receive \$100 cash and \$50 trade for your efforts.
- Most business owners would agree that a large percentage of their clientele comes from word of mouth; so we thought who better to refer new members than the members themselves.
- The new cash referral bonus encourages you to continue promoting Empire Trade with the added bonus of \$100 cash and \$50 trade if the new business joins the exchange.
- For years members have been promoting the Empire benefits of extra business, interest free loans, free advertising, and real estate opportunities, to fellow business owners. So why not get paid?
- There are no limits to how many times you can receive this cash bonus – simply keep recommending the exchange to businesses that choose to join.

Simple conditions apply:

- The referring member must set up an appointment between the new business owner and an Empire Trade representative, to be held at your local Empire Trade office.
- The new member must pay the full membership fee of \$330 cash.
- The referring member needs to complete the referral form, including bank account details, for the payment of the cash bonus to be processed.

So, why not start today? Refer new businesses that join; earn \$100 cash and \$50 trade each time; and take advantage of the extra memberships to increase your own trading.

If you have any questions or need help, please do not hesitate to contact Member Support.

Trading Bouquets | Trading Bouquets | Trading Bouquets

From Richard Paris in Queensland

We stayed at the Sleepy Lagoon Hotel Motel in Tin Can Bay for 2 nights over the Christmas period. We were very happy with the rooms which were near new cabins, situated at the local pub. It was a nice weekend getaway which included feeding the wild dolphins at the marina. If you want to get away for a night or two somewhere clean, comfortable, inexpensive and on Full Trade go to Sleepy Lagoon, two days is plenty of time.

From Garry & Val Scott in Queensland

Mountains of Bouquets to Sleepy Lagoon at Tin Can Bay. Our stay there over the Christmas break was fantastic, except for the weather. But Paul had lost his magic wand! A great place to stay.

Confident Golf

GOLF e-books available on TRADE

50% Plus Club

A triple set of a new golf instruction ebooks called "Golf - Your Perfect Plan For Practice And Play" by Doug Kercher, Australian PGA Professional is now available online on Trade. Every part of golf from goal setting to practice schedules to analysing golf rounds is explained in the Manual and the golfer can apply all the information in practice with the pocket size 12 Week Training Diary and track their rounds in the pocket size 21 Game Playing Record.

The seemingly endless search for golf improvement has resulted in hundreds of new golfing products and books and videos being released every year. Yet the standard of the average golfer stays the same at about 16 handicap with less than 20% of golfers on single figure handicaps and able to break 80.

The greatest challenge golfers face is how to organise and implement all this information. Doug Kercher, PGA Professional, has addressed this problem with "Golf - Your Perfect Plan For Practice And Play". Doug has been playing golf for over 35 years, 17 of them as an Australian Pro and has applied his knowledge and years of extensive research in writing this unique program. **50% Trade.**
